

## Privacy

We intercept internet data.

While you interact with our website, your computer provide us with your personal information. You may also choose to e-mail us. During transmission of data via the Internet, information is susceptible to interception by third parties. Consequently, should you choose to transmit information to us (by e-mail or via this website), you do so at your own risk.

Security.

We will take reasonable measures to ensure the security of any personal information received. This is achieved by way of network and building security.

Tracking.

Each time you visit our website a web server makes a record of your visit. Your identity cannot reasonably be ascertained from this information. Specifically, it records your:

Internet Provider

Date and time of your visit

Pages accessed and the documents downloaded
